

## Printing a Magnified Section of a PDF Document

1. Left click on the Zoom in Tool (magnifying glass). 
2. With the left mouse button draw a box around the area you wish to zoom in on.
3. Left click and hold on the Text Select Tool (T) until a popup menu appears with three more icons.
4. Left click on the Graphics Select Tool. 
5. With the left mouse button redraw the box around the area you wish to print.
6. Select File/Print from the menu.
7. Under Print Range make sure that Selected graphic is selected (also check to ensure that the correct printer is selected along with the correct paper size and settings).

8. <OK> to print the selected area.
